Facility Director	Job	Service Period		Due Date
Joan T. Hare	Protein Expression Facility			

Qty	student/ worker	Description	Unit Price	Line Total
		Baculovirus Protein Expression		
		Baculovirus expression optimization	$60	
		Virus amplification and freeze of stock	$60	
		Protein Expressed in suspension, scale-up/liter	$70	
		Mammalian Protein Expression		
		Small scale optimization of expression/ multi-wellplate plate	$100	
		Protein expression scale-up		
		- small scale (4x75cm2 flask,300cm2) monolayer	$90	
		-medium scale (4x 225cm2 flasks, 900 cm2) monolayer	$150	
		-large (2 roller bottles, 1700cm2)monolayer	$125	
		Suspension culture scale-up/liter	$100	
		Cell line amplification and freeze back	$50	
		Production of stable clone	$350	
			Subtotal	
			Total
