

14th Annual Kasha Award Ceremony

Students from the Molecular Biophysics Graduate Program were nominated by their major professor for their contribution as primary author of a scientific manuscript submitted and/or published in the past two years.

The winner of the Annual Kasha Award will be announced at a ceremony and special seminar presentation by a previous Kasha Award Winner:

*Pamela Twigg, Ph.D.
University of Alabama at Huntsville*

Please join us for the seminar and ceremony:

*Tuesday June 23rd, 2009 11:15
112 Kasha Laboratory Building*

Lunch catered by Moe's
